Dear Task Force Member:

Attached is the final draft of the Plan to Coordinate Science. This draft incorporates the comments provided by the members of the Task Force and Science Coordination Group. Changes from the previous draft discussed during the October 6, 2004 conference call are reflected in a modified underline and strikethrough format.

The Task Force was asked to submit its Plan to Coordinate Science at the same time it submitted the Strategy and Biennial Report for 2004. The Strategy and Biennial Report for 2004 were approved during the October 6, 2004 conference call. You are asked to vote on the Plan to Coordinate Science via email no later than November 29, 2004. Please provide your response to me at [ssoto@sfrestore.org](mailto:ssoto@sfrestore.org). Questions or comments about the plan should be addressed to Rafaela Monchek at [rmonchek@sfrestore.org](mailto:rmonchek@sfrestore.org)

Thank You,
